

**Hello,**

THE PRESS PASSES FOR **THE 2008 RIDE NORMANDIE** ARE NOW AVAILABLE.

**BE CAREFUL!!!!**  
**NEW SYSTEM FOR DEALING WITH THE PRESS PASSES.**

EVERY PRESS PASS REQUEST FOR AN ASO EVENT WILL NOW BE MANAGED BY A UNIQUE MANAGEMENT SYSTEM VIA INTERNET: <https://registering.aso.fr/?lang=en>

YOU THEREFORE HAVE TO MAKE A REQUEST DIRECTLY ON THAT WEBSITE.

**You will find beneath the process to follow in several stages:**

**A/ IF YOU HAVE NEVER MADE A REQUEST VIA THE NEW ASO SYSTEM, USE THE LINK:  
"Click here to register you on the site of the Registrations ASO"**

**1°/ Proceed in giving details on your media**

First of all, the registration of your media is mandatory. The media will be registered with one person (and only one) called "reference contact" chosen inside the editorial staff.

**IT IS NOT A REQUEST FOR A PRESS PASS, JUST A WAY TO GET YOUR ACCESS CODES  
ONE MEDIA = ONE LOGIN + A PASSWORD**

***AT THIS LEVEL, THANKS TO PRECISE IN "COMMENTS" THAT YOU ARE MAKING THIS REQUEST REGARDING : THE 2008 RIDE NORMANDIE***

**2°/ The access codes: a "login" and a "password"**

Once the media is registered, the reference contact will receive a mail with the access codes which are given on a permanent basis. They must be kept and are valid for ALL the events organised by ASO.

**B/ IF YOUR MEDIA IS ALREADY REGISTERED, YOU HAVE TO GO DIRECTLY TO THE NUMBER 3° OF THE PROCESS AFTER HAVING GATHERED THE ACCESS CODES FROM THE REFERENCE CONTACT.**

**IF YOU DON'T KNOW WHO IT IS, YOU CAN THANKS TO THE SCROLL MENU SELECT YOUR MEDIA AND SEND A MAIL TO THIS PERSON TO FIND OUT WHO IT IS.**

**3°/ Proceed to your own press pass request**

Every person wishing to have a press pass will need to have the given codes from the reference person of the media (login and password) and will then be able to register for his own press pass request on the management system via internet: <https://registering.aso.fr/?lang=en>

**4°/ Confirmation of the press pass**

You will receive a confirmation for your press pass.

For any extra information:
